

**Agenda**  
**Transportation Commission**  
**City Of Edina, Minnesota**  
**City Hall, Community Room**

**Thursday, May 16, 2019**  
**6:00 PM**

- I. Call To Order
- II. Roll Call
- III. Approval Of Meeting Agenda
- IV. Approval Of Meeting Minutes
  - A. Approval of Minutes - Regular Meeting of April 18, 2019

V. Community Comment

*During "Community Comment," the Board/Commission will invite residents to share relevant issues or concerns. Individuals must limit their comments to three minutes. The Chair may limit the number of speakers on the same issue in the interest of time and topic. Generally speaking, items that are elsewhere on tonight's agenda may not be addressed during Community Comment. Individuals should not expect the Chair or Board/Commission Members to respond to their comments tonight. Instead, the Board/Commission might refer the matter to staff for consideration at a future meeting.*

VI. Reports/Recommendations

- A. Traffic Safety Report of April 30, 2019
- B. 2019 Work Plan Updates

VII. Chair And Member Comments

VIII. Staff Comments

IX. Calendar Of Events

- A. Schedule of Upcoming Meetings and Events as of May 9, 2019

X. Adjournment

The City of Edina wants all residents to be comfortable being part of the public process. If you need assistance in the way of hearing amplification, an interpreter, large-print documents or something else, please call 952-927-8861 72 hours in advance of the meeting.

## CITY OF EDINA

4801 West 50th Street

Edina, MN 55424

[www.edinamn.gov](http://www.edinamn.gov)

**Date:** May 16, 2019

**Agenda Item #:** IV.A.

**To:** Transportation Commission

**Item Type:**

Minutes

**From:** Andrew Scipioni, Transportation Planner

**Item Activity:**

**Subject:** Approval of Minutes - Regular Meeting of April 18, 2019

Action

---

### ACTION REQUESTED:

Approve the meeting minutes of the Transportation Commission meeting of April 18, 2019.

### INTRODUCTION:

See attached draft minutes.

### ATTACHMENTS:

Draft ETC Minutes, Apr 18, 2019

Minutes  
City Of Edina, Minnesota  
Transportation Commission  
Community Conference Room  
April 18, 2019

**I. Call To Order**

Chair Richman called the meeting to order

**II. Roll Call**

Answering roll call were Commissioners Johnson, Kane, Olson, Richman, Ruthruff

Absent: Commissioner Ahler, Ayelomi, McCarthy, Scherer, Zimbwa

**III. Approval Of Meeting Agenda**

**Motion was made by Commissioner Olson and seconded by Commissioner Johnson to approve the agenda. All voted aye. Motion carried.**

**IV. Approval Of Meeting Minutes**

**Motion was made by Commissioner Ruthruff and seconded by Commissioner Johnson approving the March 21, 2019 meeting minutes as amended. All voted aye. Motion carried.**

**V. Special Recognitions and Presentations**

Three Rivers Park District presented the Canadian Pacific Regional Trail Draft Master Plan.

- Comments were as follows:
  - Show where the segment fits into the Edina master plan when presenting to Council.
  - Objection to the current name because of Canadian Pacific being a large corporation.

**VI. Community Comment**

None.

**VII. Reports/Recommendations**

**A. CloverRide Task Force Recommendation**

Task Force provided recommendation to Council to continue CloverRide and commissioners suggested options such as adding more stops to the current route, making it longer, and possibly adding a route on a different day of the week.

**Motion was made by Commissioner Johnson and seconded by Commissioner Kane to approve the recommendation to Council for the continuation of the CloverRide. All voted aye. Motion Carried.**

## **B. Traffic Impact Study Educational Seminar Update**

Planner Scipioni provided an update. The seminar is scheduled to be held on June 20<sup>th</sup> and will be subsequently recorded for use in training future commission members.

## **C. 2019 Work Plan Updates**

- #1 Brainstorming session was held and Commissioner McCarthy will identify next steps.
- #3 Guest column will be in the Sun Current.
  - Suggested edits to column are to update the title and move 4<sup>th</sup> paragraph up. Also, relate the nicer weather to more people on the road.
- #4 CloverRide has a May 2<sup>nd</sup> Task Force meeting scheduled and will get a better understanding of expansion before going to Council.
- #6 Bocar Kane will represent the ETC.
- #7 Erik Ruthruff will be lead on this item.
- There is a May 7<sup>th</sup> joint commission Council work session coming up and 2 topics were identified as the most important.
  - CloverRide expansion feedback
  - Traffic Demand Management next stepsETC will do a brief intro and review on work plan but mostly focus in CloverRide and TDM. Members were asked to send updates to be included on the work plan for the work session by April 30<sup>th</sup>.

## **VIII. Chair And Member Comments**

Commissioner Scherer (via conference call) said we should prioritize improving pedestrian safety and add more pedestrian facilities around schools since the school district updated their busing requirements.

Commissioner Olson said that Courtney, former ETC member, submitted a correspondence to the ETC and it should go to Traffic Safety and the Boards and Commissions Dinner is on April 30<sup>th</sup>.

Commissioner Kane said Three Rivers Park District should follow the City's Living Streets and Ped/Bike Master Plans.

Commissioner Johnson said that if there are communications the day of meetings we should postpone them to the next meeting to allow for review time. There should be an onboarding portal for new ETC members where reference material can be housed and easily accessible.

Commissioner Richman said the traffic in the Chowen Park neighborhood is getting worse since the bridge closure and reconstruction. The stop lights need to be recalibrated for the increased traffic, especially on Xerxes Ave and Valley View Rd. People are frantic on W 58<sup>th</sup> St and W 60<sup>th</sup> St due to the bridge closure and there is too much traffic right now. Bike to Work Day is May 17<sup>th</sup> and volunteers are needed to run the table and provide refreshments to bikers.

## **IX. Staff Comments**

- The public comment period for the comprehensive plan update has closed. The Planning Commission will hold a public hearing on April 24<sup>th</sup> and City Council will hold a public hearing on May 7<sup>th</sup>.
- The France Ave bridge closure over Highway 62 began last Friday and will be in effect until mid-July. MnDOT, Hennepin County, and Edina have taken some proactive steps to manage the additional neighborhood traffic, are continuing to monitoring traffic and may implement additional mitigation strategies as needed.
- The 2019 roadway reconstruction projects has begun. Project updates will be posted on the Better Together Edina website, and residents can also sign up for text message notifications for unexpected construction impacts.
- The W 72<sup>nd</sup> St Living Streets Demonstration Project has 24 comments as on Monday on the Better Together Edina website. The public forum is open until April 23<sup>rd</sup>; Council will review final design concepts on June 4<sup>th</sup>.
- 4 small group meetings have been held for the W 58<sup>th</sup> St Reconstruction Project to solicit public input. Initial design review process on Better Together Edina will close April 26<sup>th</sup>. Final design approval will go to Council June 4<sup>th</sup>.
- Metro Transit is studying a bus rapid transit (BRT) route from University Ave in Minneapolis to Southdale Center. The majority of the route has been determined, but 3 alternatives between Uptown and Southdale are being reviewed for further consideration. These alternatives would run along either France Ave or Xerxes Ave.

## **X. Schedule of Meeting and Events as of April 11, 2019**

For information purposes only, no discussion.

## **XI. Adjournment at 7:56 p.m.**

**Motion was made by Commissioner Olson and seconded by Commissioner Ruthruff to adjourn the April 18, 2019 meeting. All voted Aye. Motion Carried.**

Approved Date:

[illegible]

## CITY OF EDINA

**Date:** May 16, 2019

**Agenda Item #:** VI.A.

**To:** Transportation Commission

**Item Type:**

Report and Recommendation

**From:** Nick Bauler, Traffic Safety Coordinator

**Item Activity:**

**Subject:** Traffic Safety Report of April 30, 2019

Action

---

### **ACTION REQUESTED:**

Review the Traffic Safety Report of April 30, 2019 and recommend advancing to City Council for approval.

### **INTRODUCTION:**

See attached staff report. An overview of comments received from the Transportation Commission will be included in the staff report provided to City Council for their June 4 meeting.

### **ATTACHMENTS:**

Traffic Safety Report of April 30, 2019

# STAFF REPORT

**Date:** May 16, 2019

**To:** Edina Transportation Commission

**From:** Nick Bauler, Traffic Safety Coordinator

**Subject:** Traffic Safety Report of April 30<sup>th</sup>, 2019

## Information / Background:

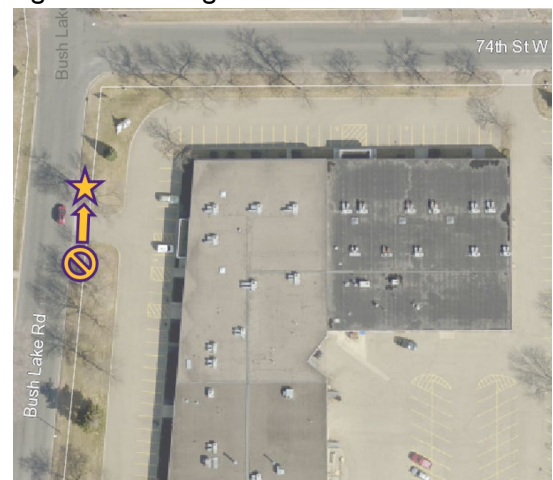

The Traffic Safety Committee (TSC) review of traffic safety matters occurred on April 30. The Traffic Safety Coordinator, City Engineer, Public Works Director, Transportation Planner, Traffic Safety Specialist and a police officer were in attendance for this meeting.

On each of the items, persons involved have been contacted and the staff recommendation has been discussed with them. They were informed that if they disagree with the recommendation or have additional facts to present, these comments can be included on the May 16 Edina Transportation Commission and the June 4 City Council meeting agendas.

### Section A: Items on which the Traffic Safety Committee recommends action

#### A.I. Request from the Police Department to move parking restriction signs on Bush Lake Road

- Officer Carlson reached out mentioning signage on Bush Lake Road may confuse drivers regarding parking restrictions.
- May 2018, City Council approved removing parking restrictions on Bush Lake Road south of W 74<sup>th</sup> Street due to parking demand.
- “No Parking Here to Corner” sign was installed on Bush Lake Road for northbound traffic approaching W 74<sup>th</sup> Street.
- Current sign is located south of the northern-most driveway for 7401 Bush Lake Road.
- Officer Carlson observed that if northbound vehicles turn into the southern driveway and exit thru the northern driveway, parking along Bush Lake Road would appear to be unrestricted as they would not be able to see the current sign.

**7401 Bush Lake Road**

*Note- The hashed circle represents the current location of the sign. The star represents the new location the sign will be placed.*

**After review, staff recommends moving the location of the parking restriction sign to be north of the northern driveway for 7401 Bush Lake Road. Staff believes this change will help inform drivers where parking becomes restricted which will assist the Police Department with enforcement.**

Section B: Items on which the Traffic Safety Committee recommends no action

**B1. Request for a speed limit placard when approaching the intersection of Maple Road and W 48<sup>th</sup> Street**

- A resident wants approaching drivers to be aware of the recommended speed for vehicles when approaching the intersection.
- Horizontal alignment warning signs are present, when approaching from both directions.
- Horizontal alignment radius of this intersection is 35'.
- AASHTO's required design speeds;

Design Speed	Calculated Radius
10 MPH	16'
15 MPH	42'

- No crashes have been reported at this location in the past five years.
- "No Parking Here to Corner" signs were installed in 2018 to improve sight lines along the inner-curve at the intersection.

**W 48<sup>th</sup> Street and Maple Road**

*Left: Example of horizontal alignment sign with placard*

**After review, staff recommends no changes. Staff believes current horizontal alignment signs to be adequate and adding a suggested speed limit placard will not increase the level of safety at this intersection as no reported crashes have taken place in the past five years.**

Section D: Other traffic safety items handled

D1. A resident contacted traffic safety with a concern of Crocker Avenue being full of ice leading to vehicles sliding down the hill. Public Works was contacted to mitigate the concern and it has been resolved.

D2. Four requests were received for traffic calming following the closure of the France Avenue (County Road 17) bridge over Highway 62. All residents were informed MnDOT is studying the traffic impacts since the closure and is working with Hennepin County and the City to determine appropriate mitigation strategies.

D3. Two requests were made for crosswalks along France Avenue at Sunnyside Road and at W 44<sup>th</sup> Street. Residents were informed their requests were forwarded to Hennepin County to be reviewed as these intersections fall under county jurisdiction.

D4. An abandoned car was reported to traffic safety within the Southdale Mall campus. The resident was informed this request was sent to the Police Department for enforcement and any similar issues in the future should be sent directly to the non-emergency police dispatch line.

D5. A resident reported an Edina-owned fence was down along Vernon Avenue (County Road 158) outside of Jerry's Foods. Upon reviewing this fence, it was hit due to winter plowing events. Public Works was contacted to fix the fence.

D6. Three requests were received for parking restrictions during home construction projects. All requests were analyzed and found all temporary restriction requests should be reviewed by the Police Department and the Residential Development Coordinator for signage to be placed.

D7. A request was submitted to increase police enforcement for parking restrictions on the north side of Olinger Boulevard west of Tracy Avenue. Current restrictions are set from 9 am to 8 pm, May to October. The resident who submitted this request was informed the Police Department was made aware of this concern and that they should contact the Police Department directly with similar concerns in the future.

D8. A concern was submitted about high school students parking along Nordic Drive during schools hours that exceed the current six-hour on-street parking restriction. The resident also requested information regarding the parking study that took place surrounding Edina High School in 2018. The resident was informed of the result of that study that no new restrictions were made on Nordic Drive.

D9. A resident contacted traffic safety to request a sidewalk along Mirror Lakes Drive and Ayrshire Boulevard. The resident was informed both of these streets are planned for sidewalk construction in the future, but no definitive timeline for these projects has been established. The resident was made aware a petition could be submitted by residents for such a project to be considered by City Council and staff for earlier construction.
